

River. Life. Love it.

A peaceful stroll along the River Walk. Vibrant business and entertainment life. Those are just two of the many things to love about downtown San Antonio.

So while you're experiencing all the River Walk has to offer, we would ask that you help keep it clean as well. Dispose of trash in cans and keep food debris off the sidewalks and patios where it can be carried straight to the river. And, please, don't feed the ducks, pigeons and other wildlife.

River. Life. Love it. Sustaining a healthy river, together.
